

# BOYS & GIRLS CLUBS + OLD NAVY

## How to build a relationship with your local store

**Find your local store:** Click [here](#) to search for a store in your zip code

**Connect:** Call the store and ask for the General Manager, Assistant Manager for Customer Operations or Community Leader. Introduce yourself as a Community Partner and see if they can partner with your Club

**Discuss how you can partner:** Old Navy supports Clubs in empowering the next generation with real world-skills, training and jobs through two programs:

**ON the Job** (for tweens and teens: This is a two-part program with one workshop at the Club and a half-day store immersion experience where youth shadow store associates and get an inside look at what it takes to have a career at an Old Navy store.

**This Way Ahead** (for teens 16+): Clubs partner with their local Old Navy stores to expose teens to retail careers, with the opportunity to interview for and land jobs at Old Navy. For more info go to [bgca.net/thiswayahead](http://bgca.net/thiswayahead)

## Best time to reach out to Old Navy

Anytime! Old Navy supports volunteering throughout the year. You're more likely to get a response if you avoid busy retail seasons – think Black Friday to Christmas – and peak traffic days, such as weekends. Just like you, store associates aren't in front of a desk all day, so picking up the phone is usually best.

## Benefits to partnering with Old Navy

### Get jobs for your teens!

By 2025, Old Navy has committed to hiring 5% of all new entry-level employees through This Way Ahead.

### It literally pays to have volunteers!

For every 25 volunteer hours Old Navy employees log at your Club, you'll receive a \$250 Field Team Grant directly from Old Navy. The more you work together, the more grants you can earn!

**OLD NAVY**
